Mare Owner agrees to breed the mare:

Mare Name _____

Registration # _____, Breed _____, Age _____

To the stallion (check one):

ALL HANDS ON ZIP, Reg #517790 for a breeding fee of \$1000

HANDS OF A HERO, Reg #644878 for a breeding fee of \$1000

for a live foal subject to the following conditions:

1. The stallion fee includes a non-refundable booking fee of \$350, payable upon execution of this contract. The booking fee is required for all mares, and is included in the breeding fee. A booking fee is required on all services, including those transferred, re-breeds and services purchased from parties other than Hopes Creek Ranch. The booking fee is reduced to \$150 fee on any donated services. The balance of this fee must be paid before any semen will be shipped. All invoices are payable upon receipt with a late fee of \$20.00 applied to past due accounts. The Mare Owner should notify the Breeder of the expected breeding date at beginning of mare's cycle.
2. A prepaid collection/shipping fee of \$300 will be required for each shipment. Shipments will be sent by Federal Express priority overnight service whenever possible. Any shipment sent by airline counter to counter service will have an additional charge of \$100 to cover courier and airline charges. The Equitainer shipping container must be returned within 72 hours of time it is received, priority overnight and insured for \$350 at the Mare Owner's expense. A \$25/day charge will apply if container is late. If a multi-use shipping container is used, Mare Owner may return it by standard mail, or if not returned, will be charged \$40.

3. COLLECTION SCHEDULE BEGINNING FEBRUARY 1 MONDAY WEDNESDAY FRIDAY (A.M.) 979-690-0747

4. All orders for semen must be placed with Hopes Creek Ranch (**979-690-0747**) by 6 P.M. (CST) the night before collection. **All fees must be paid before semen will be shipped.** Shipping and collection charges may be paid to Hopes Creek Ranch by credit card at the time semen is ordered.

5. This Contract contains a "Live Foal Guarantee." A live foal is described as a foal which stands and nurses without assistance. If foal is born dead, there are return privileges for the following season only, providing Breeder is notified within 10 days and receives a veterinarian's statement confirming death. If after being pronounced "safe in foal", the mare should miscarry, abort or prove barren, the Mare Owner has the privilege to rebreed her during the current breeding season **February 1 through June 15 (June 1 for Hands On A Hero)**, or the following year, by transported semen providing there are breedings still available. The Mare Owner certifies that such abortion or death did not result from any act or omission of the Mare Owner subsequent to the Mare's departure from the Breeding Farm. Booster Rhinopneumonitis vaccinations must be administered as indicated by the individual drug manufacturer as the Mare progresses through her pregnancy. **FAILURE TO DO THIS WILL VOID THE LIVE FOAL GUARANTEE.** All current lab & shipping fees will apply. Any rebreed may be done on-site for current farm breeding charges.
